

Jubilant June

The Car Rally organised by Hatfield Heritage Vehicle Society started Festival Week with a bang. The Rally attracted over 200 vehicles of all shapes and sizes as well as from different eras of motoring history.

On Thursday 16 June the Chairman's Charity Golf Day at Hatfield London Country Club raised awareness and over £1,000 for the Chairman's Charities - Keech Cottage Children's Hospice and Women's Refuge.

Annual Cricket Match

It appeared that Cassie one of the birds of prey was quite partial to an ice cream

Around 2,000 people enjoyed the attractions that included the Wembley and Watford Eclipse majorette troupe, Hertfordshire Spinnerettes and two Birds of Prey displays from Impact Falconry.

Thank you to the Air Training Corps who provided the necessary support for the car parking on the day.

Tuesday 14 June saw the Annual Dance Evening at Birchwood Leisure Centre with demonstrations from Jiveswing.com, Peace Train Line Dancers and Mike Burnham calling Square Dancing. The evening was enjoyed by all those that participated.

On Wednesday 15 June Hatfield saw the first real rain showers for weeks but by the start of the first innings at 6.15pm the sun was shining and the annual cricket match between Cavendish Cricket and Hatfield Crusaders took place. The match saw the Hatfield Crusaders win in the last over to take the lead at 4-3 in the competition.

Mary Birkett and the Cameron Scottish Dancers kindly put on a demonstration at Lemsford Village Hall on Wednesday night dancing with the Welwyn Garden City and District Scottish dancing club who meet their every week.

The Welwyn Garden City Runners held their annual relay race at Birchwood Leisure Centre on the evening of Thursday 16th June.

On Friday 17th June all Primary Schools in Hatfield were invited to the History of Rock n' Roll Concerts performed by Cool n' Crazy music hosted at Stream Woods School. University Bus again kindly provided the transport so the pupils at the outlying schools could enjoy the experience. Some transformed into Elvis while others including the teachers enjoyed dancing to the hits of the fifties and sixties.

The Annual Festival Quiz Night at Roe Hill Hall saw 14 teams battle it out for the winner's prize and of course the wooden spoons for the members of the losing team.

Saturday 18th was Hilltop Fun Day, opened by the Chairman, Councillor Mick Long who was nearly engulfed by the Chinese Dragon. There was a variety of artists and entertainers including Fidgety Feet Jazz Band and "3 by 4" clowns and jugglers.

The winners of the School Poster Competition who had their "Stop Dog Fouling" posters displayed at St Johns Church were presented with their prizes. A pupil from The Ryde School, being the overall winner, won £50 for the school to purchase art equipment.

Thank you to St John Ambulance who were present at all these events to provide any necessary First Aid Cover.

New Chairman

Councillor Mick Long was elected as Hatfield Town Council Chairman for the forthcoming year at the Annual Town Meeting in May.

As a Town and District Councillor, Councillor Long is now finding time to juggle the responsibilities of Chairman and hopes to achieve positive results during his time in the post. Hatfield has been his adopted town since he moved here from North London forty-four years ago and has seen many of the changes that the Town has experienced.

Chairman, Councillor Mick Long

"I would like to see that Hatfield becomes A1 for the people who live, work and study here just like the name of the road that runs through the town."

The Chairman will also be focusing his attention on raising funds for two charities in Hatfield and Hertfordshire. Firstly the Women's Refuge which provides a vital service to those women who need it, in times, where there is often nowhere else to turn and secondly The Keech Cottage Children's Hospice, the only children's hospice in Hertfordshire and Bedfordshire who provide care and support for children with a life-limiting illness.

As Chairman, Councillor Long has already held two successful fund raising events, the Chairman's Charity Golf Day raising over £1,000 and the Festival week Quiz Night at Roe Hill Hall where the proceeds of £ 360 were split with St Johns Ambulance who set the questions on the night.

On September 16th 2005 at Hatfield Social Club the Chairman will be hosting a blues night with the Phoenix Blues Band. There will be a banquet buffet and a raffle. The aim of the evening is to raise more funds and awareness for these two good causes.

Tickets cost £25.00 for a couple or £15.00 per person. For further details please contact the Council Offices on 01707 262 023.

"In the first few weeks in this role I have opened the first Summer Fete at De Havilland School and presented prizes to the winning entrants in the Hatfield Town Council Poster Competition at the Hill Top Fun Day. I have also had the privilege of meeting a remarkable Hatfield resident on her 100th Birthday. I am looking forward to what the rest of the year will bring."

Hatfield Town Council's Annual Citizen Award

Record Breaker

Councillor John Hawkins in his year as Hatfield Town Council Chairman broke the fundraising record of that of any other Hatfield Town Council Chairman. With fundraising activities including two golf days, quiz nights, an indoor car boot sale, showstoppers music event, a raffle and the Christmas charity collections, Councillor Hawkins raised £616,123.16 for two good causes.

At the Town Meeting in May the former Chairman presented a cheque for £2,123.16 to two representatives from the Cardiac Unit at the QEII Hospital, Welwyn Garden City. The money will be used to purchase an infusion pump which will enable patients to administer pain relief themselves.

A cheque was then presented to two members of St Johns Ambulance, Hatfield Division for £4,000. The Hatfield Division of the St John Ambulance will use the money to increase their fund to enable them to purchase their own ambulance.

The Town Council has just published its sixth Best Value Performance Plan. Because of its size and activity it is one of only 41 of the 9000 Town and Parish Council obliged to comply with requirements originally brought in for District and County Councils. Although the full Performance plan can be seen at Hatfield Library, Hatfield Area Housing Office, Hatfield swim Centre, The Galleria, Jim McDonald centre and you can obtain a copy at the Town Council Offices, this summary is being sent to every household in Hatfield.

As the tremendous changes to Hatfield become apparent with new business and houses and as we all move towards the imminent redevelopment of the Town Centre the demands on the Town Council have grown and will continue to do so.

Council's Main Purpose and Objectives

The council's unique purpose is to offer a range of very local services that meet the need of our community, many of which would not otherwise be provided.

More specifically we will offer our residents

- ✓ A main sports and leisure centre with a wide range of activities
- ✓ Other venues in the heart of our community, providing local people and local groups with a choice of easily accessible activities and hosting a variety of local clubs
- ✓ A Festival Week in June
- ✓ Well maintained and well occupied allotments
- ✓ Well maintained community parks and open spaces

In addition to these specific services, we seek to promote the broader interests of the community.

The Council will achieve objectives by:

- ✓ Consulting community generally and service users specifically provided and by demonstrably responding to findings
- ✓ Engaging the community on big issues facing Hatfield and Playing a Key advocacy role on their behalf.
- ✓ Working in partnership with a wide range of local organisations to ensure an improving standard of services to meet the needs of residents and others. Our relationships with the University of Hertfordshire and other public bodies are critical to that success.

Town Council Services

The Council provides a wide range of Leisure and Community services throughout Hatfield. The Performance Plan details a description of each service together with its objectives, achievements, targets, costs and performance. The measurement of performance is via 'performance indicators' which we use to monitor our own progress each year.

Targets and Progress

Last year we set ourselves the following targets

Review Standing Orders, Financial Regulations and Committee Structure

This was completed and implemented.

Develop programme strategies and policy statements and a performance management system to ensure that service targets are met.

These were implemented to include a programme to complete Best Value Reviews, a staff appraisal system and 6-monthly checks of Performance Indicators.

Reduce levels of Uncertified Sickness

This was reduced from 3.97 days to 3.31 days but has not yet met the Council's target.

Increase the number of staff training days

The figure is similar to that of 2003/04 but the staff appraisals have staff training as a primary focus.

Ensure Website is kept up -to- date and reviewed at least 3 times per year and that the newsletter is produced and delivered on time and both contain relevant information.

The website is updated regularly and the newsletter was produced and delivered on time.

Continue to promote the availability of grants to local organisations in Hatfield and start the surveying process of those organisations that receive grants.

The grants are publicised in every edition of Community News, and the survey has produced a 100% response rate.

Carry out risk assessments

These began during last year and are being completed now.

Encourage a high standard of cultivation of Allotments.

Following a survey of Allotments Holders the Council has changed its policy to enable it to remove bad tenants sooner.

Summary

Promote Birchwood Leisure Centre to Primary Schools

Two schools are now using the Centre for P.E. lessons and discussions are underway with two other schools.

Increase all usage at Roe Hill Hall.

The number of attendances increased by 4,000 and the number of hirings increased by 50%.

Increase useage of Oxlease House

Although statistics from previous years are not clear the substantial rise in income indicates a satisfactory increase in usage.

Targets for 2004/ 2005

Reduce levels of sickness

Increase number of staff training days

Improve Councillors' attendance at meetings

Increase awareness of the funding available to community groups to enhance their activities

Monitor the number of visits the website receives

Promote the availability of the Grants scheme in other ways than just through "Community News"

Establish an Allotment Holders Association

Complete all Risk Assessments

Increase off-peak usage at Birchwood Leisure Centre

Improve the net profit of the Roe Hill Hall Bar

Increase hirings at Lemsford Village Hall

Ensure that the agreed improvements are carried out to Newgate Street Village Hall

Service Reviews

Considerable progress has been made in the service reviews. The following have been completed in the coming year.

- ✓ Lemsford Village Hall and Playing Fields
- ✓ Roe Hill Hall and Playing Fields
- ✓ Oxlease House Community Centre

The following reviews have started and will be completed during the summer of 2005.

- ✓ Newgate Street Village Hall and Playing Fields

- ✓ Community Parks and Open Spaces

The Council will also undertake by March 31 2006 the following reviews:

- ✓ Procurement
- ✓ Administration

Consultation

The Council is committed to consulting widely on its performance in various ways.

- ✓ The Council's Website
- ✓ Best Value Panel
- ✓ Active staff involvement
- ✓ The Council's newsletter 'Community News'
- ✓ The Annual Town meeting
- ✓ Voluntary Organisations
- ✓ The University
- ✓ User and non-user surveys and public questionnaire
- ✓ Public question time at Council Meetings

In September 2004 the Council conducted a survey of 1000 households and has begun ongoing surveys of regular users of its services.
